Enhancing Your Financial Well-Being

June 2026

Bigger Reach. Stronger Together.

Now Serving All IBEW Ninth District Members, Retirees & Families
A New Name. A Bigger Family. The Same Commitment to You.

Welcome to the next chapter of SPARK FCU ⚡

We're excited to announce that we've expanded our field of membership to include all members of the IBEW International Ninth District, along with their JATCs, retirees and family members. As part of this exciting growth, we have rebranded as SPARK Federal Credit Union — a name that reflects the energy, strength, and future of the members we proudly serve.

While our name has changed, our mission remains the same: providing affordable financial solutions uniquely designed for union electricians, exceptional service, and helping our members achieve their financial goals. Also staying the same is our wonderful staff and Board of Directors. Same names and faces you know and trust.
